

Common Unit (Three Phase) 10 kVA

Features:

- Surge Protection for redundancy and Equipment Safety.
- Enhance the Power Quality.
- Eliminates over 95% of lightning / storm hazards.
- Life of 1,00,000 Hrs.
- Better efficiency and performance of overall electrical usage and overall operating efficiency and system reliability.
- No service or No Maintenance.
- Value for Money.
- Reduces overheating.
- It saves energy up to 25%.
- Improves Power Factor.
- Five Years Guarantee.
